

Warehouse Operative

TR Fastenings Ltd specialise in distributing and manufacturing standard and specialist industrial fasteners. Through our global operations, TR employs over 1,200 highly skilled and experienced people. Every colleague around the world is a valued member of the TR family who on a daily basis work together to deliver a high-quality service for all our customers

We are looking to recruit a Warehouse Operative to join our established team in the North East.

The Role

Reporting to the Warehouse Manager your role will be to assist with the efficient running of the increasingly busy warehouse function.

Duties include:

- Taking delivery of goods and supplies.
- Checking for damaged or missing items.
- Storing goods.
- Moving stock around by hand, using lifting gear or a forklift truck.
- Picking and packing orders.
- Keeping records of stock.
- Keeping paperwork up to date.

The Candidate

Ideally you will have a background within warehousing, although this is not essential as full training will be provided. A valid UK driving license and Forklift Licence would be advantageous, but not essential.

A desire to succeed is a must, along with a can-do attitude. The candidate must understand the importance of working as part of a team and have the motivation, and initiative to work alone at times in order to get the job done.

The ideal candidate will be someone who is used to working to deadlines in a very busy environment and who can think on their feet. The successful candidate must be able to demonstrate flexibility in their approach and be able to prioritise and remain focused at all times as accuracy is paramount to this role.
