

Quality Representative

TR Fastenings Ltd specialise in distributing and manufacturing standard and specialist industrial fasteners. Through our global operations, TR employs over 1,200 highly skilled and experienced people. Every colleague around the world is a valued member of the TR family who, on a daily basis, work together to deliver a high-quality service for all our customers.

We are looking to recruit a Quality Representative on a permanent basis, to join our established team based at our Belfast location. The role will be supporting Distribution, Electronics and General Industrial sales sectors.

The Role

Reporting to the Operations Manager, your role will be to ensure the effective and efficient transition of product through Quality department, working alongside the Quality Team.

Key tasks include:

- Knowledge of using systems relevant to the quality processes and functions of this type of role
- Knowledge of use of inspection equipment and instruments (Desirable)
- Understanding of drawings, standards, and specification
- Be able to communicate both verbally and in writing in a clear and concise manner to both clients, suppliers, and colleagues.

The Candidate

Experience of working within a Quality role along with fastener knowledge is desirable, but not essential as full training will be provided.

The ideal candidate will be self-motivated, possess excellent communication skills both verbal and written to be able to communicate and build good relationships.

You will be able to work to deadlines, remain focused at all times and have excellent attention to detail.

To Apply

If you are interested, or know of someone who might be, please contact Katia Sparks, Group HR Advisor, on 01825 747 324 or email your CV to careers@trifast.com
