TR Holland wins Philips Supplier Award - for a Second Time!

2016

After first winning in 2014, TR Holland has once again been awarded a prestigious Supplier Award by Philips Lighting Winterswijk in recognition of achieving 100% delivery performance during 2015.

Johan Damkot, Senior Buyer at Philips Lighting, visited the TR team recently to present the award, commenting, "I'd like to congratulate and thank the team for this excellent achievement. With our ad-hoc demands, we didn't make it easy for you!" Johan Damkot thanked the team (Hans, Laurens, Jeanette and Joost) personally.

Philips has been a leader in lighting innovation for over 120 years and a key customer for TR Holland which supplies the company with a wide range of lighting components.

Congratulations to all the team!

TR Fastenings Wins *Second* Prestigious Award from Yanfeng Automotive Interiors

2016

Following TR Fastenings' recent success at Yanfeng Automotive Interiors' Annual European Supplier Awards ceremony where it received a Bronze Supplier Performance Award, TR was honoured to be presented with a Silver Supplier Award at the North America Awards ceremony, on 23rd March 2016.

TR Fastenings supplies Yanfeng Automotive with a wide range of components for automotive interiors. The Silver Supplier award was collected by Chris Black, Director of Automotive Business Development and Brad Allen, Business Development Manager at TR Houston.

Chris Black commented, *"This award identifies our Houston office for its distinction in the areas of quality, logistics, development, technology and service, which is a great testament to the team here and the TR Group as a whole."*

"These awards recognise the outstanding hard work and dedication of our suppliers and their teams," said Jim Bos, Vice President, Global Procurement, Yanfeng Automotive Interiors. *"Their commitment allows us to provide our customers with top of the line products that meet and exceed consumer expectations time and time again."*

Headquartered in Shanghai, Yanfeng Automotive has around 100 manufacturing and technical centres in 17 countries and employs over 28,000 people globally. Established in 2015, Yanfeng Automotive Interiors is a joint venture between Yanfeng Automotive Trim Systems Co Ltd, a wholly owned subsidiary of Huayu Automotive Systems Co., Ltd. (HASCO), the component group of SAIC Motor Corporation Limited (SAIC Motor), and Johnson Controls, a global multi-industrial company.

TR Fastenings Wins Prestigious Award from Yanfeng Automotive Interiors

2016

TR Fastenings is delighted to announce it has received a Bronze Supplier Performance Award from Yanfeng Automotive Interiors (YFAI) at its annual European Supplier Awards ceremony held in Düsseldorf on 2nd March.

TR Fastenings supplies Yanfeng Automotive with fastenings used in the interiors of the vehicles. *"We are extremely proud to receive this award,"* comments Glenda Roberts, TR's Global Sales Director.

"Currently the automotive sector represents 31% of TR's turnover and with their global manufacturing capabilities and sourcing expertise they are able to support YFAI and their growth plans on a global basis."

"Our suppliers play an important role in our success. We are pleased to acknowledge the outstanding achievements of our suppliers with this award," said James Bos, Vice President Global Procurement at Yanfeng Automotive Interiors.

Headquartered in Shanghai, Yanfeng Automotive has around 100 manufacturing and technical centres in 17 countries and employs over 28,000 people globally. Established in 2015, YFAI is a joint venture between Yanfeng Automotive Trim Systems Co., Ltd, a wholly owned subsidiary of Huayu Automotive Systems Co., Ltd. (HASCO), the component group of SAIC Motor Corporation Limited (SAIC Motor), and Johnson Controls a global multi-industrial company.

2016

Trifast-owned Power Steel & Electro-Plating Works (PSEP) is delighted to announce it has received an 'Excellent Vendor in Delivery' award from Perodua (Perusahaan Otomobil Kedua Sdn. Bhd.), Malaysia's largest manufacturer of four-wheeled vehicles.

Their cars are primarily sold under the brand of Perodua in Malaysia, and Daihatsu in Indonesia and Sri Lanka. Power Steel has been their supplier since 1998, producing parts for the body, chassis and engines directly, and indirectly to their transmissions via their Tier 1 suppliers.

"Being recognised as an Excellent Vendor in Delivery, the first such award from Perodua, is a tremendous achievement for our team who needs to ensure that products delivered each and every time are of the right quantity and most importantly, the best possible quality," comments Theodore K C Wong, General Manager at TR PSEP.

He adds *"With this morale booster, the team now is even more focused and determined to work towards bettering the already high standards that are expected of us. In the process, we are hopeful of increased sales from Malaysia's best automotive manufacturer. With added support from the TR Group and Management, our continued journey to be a world class manufacturer is closer to being achieved."*

Trifast acquired Power Steel and Electro-Plating Works Sdn. Bhd (PSEP) in December 2011 and it is considered to be one of the most advanced fastener manufacturers in the Asia region, employing around 176 staff and producing 450 tonnes of products per month.
