28th December 2022

To All staff at TR Fastenings Ltd

Thank you so much for your generosity and the food delivery you arranged for us. Your support and contribution is very much appreciated and makes a massive difference, thank you.

We were truly overwhelmed by the support and generosity we received this year from so many different individuals, businesses, churches, community groups, and schools. We don't believe the joy of Christmas should be taken from people because of poverty and our prayer is that we were able to bring hope to people during Christmas and continue to do so throughout the year. We really appreciate every single donation and could not continue to provide for those in need in our community without your support, a warm heartfelt thank you from all the churches and volunteers involved in EK Community Food Bank.

Over December your generosity helped us provide 618 food parcels to clients in the run up to Christmas. We also gave out 319 Christmas Day food hampers on the 23rd December which fed over 559 adults and 289 children on Christmas Day. Thanks to many people's generosity we were also able to bless people with toys and gifts along with their hampers. In addition, we had the privilege of feeding approximately 250 food bank clients at various Christmas lunches held by the churches involved in running the food bank.

Throughout the network of churches in East Kilbride we are currently distributing over 200 emergency food parcels to individuals and families in the local community every week. In 2022 we distributed over 7300 food parcels.

Your support and generosity is very much appreciated and goes a long way to helping us to continue to provide for those in our local community.

Thank you again for your support,
Kindest Regards
In His service
