Bespoke Products

Our factories in Asia and Europe produce components which are specifically tailored to customer drawings. In addition, our strategic partnerships with other world-class manufacturers, allows us to offer a wide range of practically any size of turned, cold-formed, pressed or moulded components.

TR Fastenings

Company

TR Fastenings Ltd is part of Trifast plc, and is a global engineering, manufacturer and distributor of industrial fastenings and Cat C products. We have 31 TR locations, of which 8 are high volume production manufacturing sites producing over 33% of the product sold and distributed to over 60 countries.

Services

TR is a 'full service provider' giving End2End support to its customers.

TR work with customers from the early engineering and design stage, right through to specification, manufacturing, quality and logistics.

Industries

TR Fastenings supplies in excess of 60 billion components annually to 5,000 companies globally across a wide range of industries. We are a major supplier to the automotive, electronics and domestic appliances sectors, and have a robust business model for large OEM's and SME's.

Manufacturing

We have a manufacturing network in Europe and Asia specialising in producing high volume parts specifically to customer drawings. Our factories are strategically placed geographically to provide cost efficient product to very high quality standards.
