

# WEBSITE DISCLAIMER

Please read these terms carefully before using this website

TR Fastenings Limited and related companies (other companies in the Trifast plc group) (“TR”) go to great lengths to ensure that, to the best of its knowledge, the information provided on this website and its social media channels (the “Website”) is correct at the time of publication and/or subsequent modification.

This information is solely for general purposes. It has been prepared in order to provide general information about TR and about the products and services offered by TR. Due to the fact that fastening applications differ greatly, the information is for guidance only and is correct to the best of our knowledge at the time of publication. TR makes no representation or warranty to, and shall have no liability to, any customers, prospective customers and other Website users or visitors relating to the accuracy or completeness of the information contained on the Website or the sufficiency of. All customers, prospective customers and other Website users or visitors are responsible for verifying the accuracy and validity of any information on the Website before entering into any commitment based on the information or seeking to rely on the information. TR shall not be held liable for any failure that may occur from the use of this information.

Nothing in the Website is intended to be a substitute for formal advice and should not be relied upon as such.

From time to time, TR may need to make some changes to the information on the Website to reflect changes to its products and services, or where required by law or by an accrediting, or regulating body. TR reserves the right to do so. Such changes may include removing or altering any content on the Website as well as the withdrawal or variation, of any of the products or services and/or the alteration of pricing, and/or services available from or provided by or on behalf of TR, in all cases for any reason and without notice. Any changes shall take effect from the date of publication on the Website.

TR accepts no liability for damage resulting from virus infection and cannot guarantee that use of the Website will be free from virus. Neither can TR guarantee the availability of the Website. Although TR aims to make the Website available without interruption, it reserves the right to suspend or withdraw service of or access to it without notice, either in whole or in part for scheduled maintenance or any other reason.

## External Websites

The Website contains links to external third party websites to help you find information that may be relevant to you quickly and easily. TR does not endorse or guarantee in any way the external organisations, services, advice, or products included in these external website links nor does TR control or guarantee the accuracy, relevance, timeliness, views, opinions expressed or completeness of the information contained in them. These links are provided solely as a service for visitors' information and convenience and TR does not control, approve, or endorse these sites or the information contained therein. External links to non-TR resources are in no way intended to represent an exhaustive listing.
