

Warehouse Operative

part of the Trifast plc Group

Who we are

TR Fastenings (TR) is part of Trifast plc and is a leading international specialist in the design, engineering, manufacture, and distribution of high-quality industrial fastenings and Category 'C' components principally to major global assembly industries. Every colleague around the world is a valued member of the TR family who on a daily basis work together to deliver a high-quality service for all our customers.

We are looking to recruit a Warehouse Operative on a temporary basis (12-15 months) to join the Warehouse team based in the North East (Newton Aycliffe - DL5 6BG).

Working hours: Monday to Thursday, 8am to 4.30pm and on Fridays 8am to 3.45pm (37.5 hours per week).

The Role

Reporting to the Warehouse Manager. Your main responsibility is to contribute to the effective and efficient running of the designated warehouse section. To ensure the delivery of a cost-effective service for both internal and external customers. To Deliver/locate all orders on time, understand and achieve targets for the functions within the team.

Key Tasks

- Taking delivery of goods and supplies.
- Checking for damaged or missing items.
- Storing goods.
- Moving stock around by hand, using lifting gear or a forklift truck.
- Picking and packing orders.
- Keeping records of stock.
- Keeping paperwork up to date.

The Candidate

Ideally you will have a background within warehousing, although this is not essential as full training will be provided. A valid UK driving license and Forklift Licence would be advantageous, but not essential.

A desire to succeed is a must, along with a can-do attitude. The candidate must understand the importance of working as part of a team and have the motivation, and initiative to work alone at times in order to get the job done. The ideal candidate will be someone who is used to working to deadlines in a very busy environment and who can think on their feet. The successful candidate must be able to demonstrate flexibility in their approach and be able to prioritise and remain focused at all times as accuracy is paramount to this role.
