

Driver / Warehouse Operative

TR Fastenings Ltd specialise in distributing and manufacturing standard and specialist industrial fasteners. Through our global operations, TR employs over 1,200 highly skilled and experienced people. Every colleague around the world is a valued member of the TR family who on a daily basis work together to deliver a high-quality service for all our customers.

We are looking to recruit a Driver / Warehouse Operative to join our established team at Waterside Park.

The Role

Your role will be to assist with the efficient running of the increasingly busy warehouse function, and to ensure the delivery of a cost effective service for both internal and external customers is achieved.

Key tasks include:

- Taking delivery of goods and supplies
- Checking for damaged or missing items
- Storing goods
- Moving stock around by hand, using lifting gear or a forklift truck
- Picking and packing orders
- Keeping records of stock
- Keeping paperwork up to date
- Ensuring efficient and accurate deliveries of DLF customer orders
- Maintaining Kan Bans to service agent requirements
- Monitoring and management of stock at customer premises

The Candidate

Experience of driving a transit size vehicle and have a valid driving licence is essential. Ideally you will have a background within warehousing, although this is not essential as full training will be provided.

A desire to succeed is a must, along with a can do attitude. The candidate must understand the importance of working as part of a team but also have the motivation and initiative to work alone at times in order to get the job done. The ideal candidate will be someone who is used to working to deadlines in a very busy environment and who can think on their feet. The successful candidate must be able to demonstrate flexibility in their approach and be able to prioritise and remain focused at all times as accuracy is paramount to this role.
