TR Fastenings hit a hat trick at North America automotive supplier awards

International fastenings specialist, TR Fastenings (TR) has been recognised as a ‘Distinguished Supplier’ by Yanfeng Automotive Interiors for the third year running.

Yanfeng Automotive Interiors (YFAI), the world’s largest supplier of automotive interiors, recognised 19 of its suppliers during the ‘North America Supplier Performance Awards Ceremony’ on 6 February, held at the company’s Michigan Tech Center.

Jose Vera and Brad Allen, Business Development Managers at TR USA said:

“It is a huge honour to receive this recognition for ‘Flawless Execution’. These Awards celebrate suppliers’ outstanding track record in quality, cost, logistics, development, technology, and service and to be acknowledged in this way is testament to TR’s commitment to providing our customers with consistently high-quality products. We are very proud of the strong relationship we have with YFAI, which is built on our teams’ exceptional industry knowledge, manufacturing excellence, and outstanding customer service.”

Jim Bos, Vice President, Global Procurement, for Yanfeng Automotive Interiors said:

“Each year, this event is an opportunity for us to recognise our suppliers for their commitment to excellence. Their dedication enables our team to provide our customers with the high-quality products they’ve come to know from YFAI.”

TR has previously been granted Distinguished Supplier status by YFAI (in 2019), following its award for Supplier Excellence in 2018.

TR’s USA team is supported by the company’s manufacturing colleagues in Taiwan.
