

# Deputy Warehouse Manager

part of the Trifast plc Group

## Who we are

At TR, part of Trifast plc, we're more than fasteners—we're the trusted partner behind some of the world's most advanced industries. As a global leader in the design, engineering, manufacture, and supply of fastenings and Category 'C' components, we deliver smart, efficient solutions that enhance performance across major assembly operations.

From Automotive to Smart Infrastructure and Medical Equipment, our focus on engineering excellence and streamlined supply keeps us at the forefront of progress.

We're looking for a driven and dynamic Deputy Warehouse Manager to contribute to our continued success on a global scale.

We are looking to recruit a Deputy Warehouse Manager on a permanent basis to join our Warehouse team based at our site in Verl, Germany.

## The Role

Reporting to the Warehouse Manager, this is a hands-on role which will include supporting our warehouse and to lead, motivate, supervise and develop the team whilst delivering a consistent, smooth and efficient warehouse / logistics department.

Although the core hours are Monday to Thursday 07:15 – 16:00 and Friday 07:15 – 14:45, you must have a flexible attitude to the start and finish times to suit the business needs and be able to work overtime at short notice.

## Key Tasks

- Create a fully flexible Goods Outwards/Logistics Team, through training and secondment to other disciplines on a rolling basis
- To ensure excellent communication and teamwork by maintaining a helpful, positive and friendly atmosphere with colleagues
- Ensure all necessary tasks are delegated to your team
- Maintain customer care by accurate picking and packing of customer orders both DLF and general orders.
- Ensure the goods receiving / inwards processes are followed as per company guidelines and standards
- Efficient control of warehouse working hours & monitor overtime
- Ensure the efficient and accurate picking and despatch of all sales orders, works orders, rework, plating notes and transfers, ensuring nil overdue deliveries
- Ensure deliveries are accurate and on time

# Deputy Warehouse Manager

part of the Trifast plc Group

- Ensure daily urgent customer orders are dealt with and the efficient use of Hauliers & Couriers to despatch
- Set up and maintenance of kanbans for customers
- Ensure stock is returned to correct warehouse locations by all staff
- Ensure stock losses are reported to the Warehouse Manager
- Monitor and carry out PI counts when required, updating quantities in the warehouse management system. Report findings to Warehouse and Operations Managers.
- Liaising with Warehouse Manager all records and top 30's to be completed yearly/quarterly
- Assist with the achievement of monthly PI targets to PI plan

## The Candidate

The ideal candidate has a completed vocational training in warehouse/logistics operations and solid hands-on experience within a warehouse environment. In addition, they have ideally completed further training as a Logistics Master (m/f/d) or are willing to participate in internal training programs provided by other European TR locations.

Proven warehouse experience is essential, along with a strong understanding of the various warehouse functions and logistics processes.

A strong drive to succeed and a can-do attitude are key requirements. The candidate must recognize the importance of teamwork while also demonstrating the initiative and motivation to work independently when required to ensure tasks are completed efficiently.

The ideal candidate is accustomed to working to deadlines in a fast-paced environment, is able to think on their feet, and can effectively prioritize tasks. Flexibility, resilience, and a high level of accuracy are essential, as precision is critical to the success of this role.

## What we offer

- **On-site parking**
- **Capital-forming benefits (VWL)**
- **Pension**
- **Benefits (Sportnavi, E-bike leasing, Edenred Benefit Card, Snack vending machine)**
