

Who we are

TR Fastenings (TR) is part of Trifast plc and is a leading international specialist in the design, engineering, manufacture, and distribution of high-quality industrial fastenings and Category 'C' components principally to major global assembly industries. Every colleague around the world is a valued member of the TR family who on a daily basis work together to deliver a high-quality service for all our customers.

We are looking to recruit a DLF Driver on a permanent basis to join the Logistics team based at our National Distribution Centre in Walsall, West Midlands (WS2 8DQ).

The Role

Working out of our NDC (National Distribution Centre) in Walsall, West Midlands & reporting to the local Customer Logistics Team Leader, your role will be to contribute to the effective and efficient smooth running of the Direct Line Feed (DLF) operation and to ensure the delivery of a cost-effective service for both internal and external customers is achieved. The working pattern will be Monday to Thursday 06:00–17:00 and with a 1-hour break.

Key Tasks

- Ensure efficient and accurate deliveries of DLF customer orders.
- Ensure Kanban's are properly maintained to TR Fastenings` & the Customers` agreed standard.
- Efficient monitoring and management of stock at customer premises, practicing FIFO (First in First Out).
- Report any issues with the Kanban systems to the nominated person.

The Candidate

We are seeking a candidate who values teamwork but also possesses the drive and initiative to work independently. The ideal applicant will have experience driving a transit-size vehicle, hold a full, clean driving license, and have a background in customer service.

What we offer

- On-site parking
- Life insurance
- Pension
