Q&A with our Apprentices

Shani Coker, Uckfield

"The best part of my role is the variety of work I do here at TR, every day brings something different. I am looking forward to progressing within the company and to developing my skills further by learning new things. This is an exciting opportunity for me."

Emily Cowens, North East

"I love working at TR, I would say my greatest achievement is that I am the main point of contact for our kitting companies, which I am really proud of, as I have full control of checking what is going out to them on a weekly basis and what we are receiving back. Another achievement is that I have never had a sickness day in the full year and 7 months that I have worked here."
