

Israel and Gaza – Supply Situation

21.11.2023

To whom it may concern

It is a very sad and difficult situation that is happening in this Region.

In response to the emails that we are receiving requesting to know if we have any suppliers in these geographies, we can confirm the following:

- We do not have any Suppliers in either Israel or Gaza.
- We do not have any processors in either Region.
- We therefore have no risk to our Supply Chain.

We hope this clarifies the current situation.

Please do not hesitate to make contact if you need any further clarification.

Yours sincerely

On behalf of **TR Fastenings Ltd**
