

Warehouse Operative

part of the Trifast plc Group

Who we are

At TR, part of Trifast plc, we're more than fasteners—we're the trusted partner behind some of the world's most advanced industries. As a global leader in the design, engineering, manufacture, and supply of fastenings and Category 'C' components, we deliver smart, efficient solutions that enhance performance across major assembly operations.

From Automotive to Smart Infrastructure and Medical Equipment, our focus on engineering excellence and streamlined supply keeps us at the forefront of progress.

We're looking for a driven and dynamic Warehouse Operative to contribute to our continued success on a global scale.

We are looking to recruit a Warehouse Operative on a permanent basis to join our team based in the North East.

The Role

The role is to ensure the product makes its way to the customer at the right time and in the correct manner to avoid any disruption on our customer production lines.

Working within the warehouse team ensuring that product arriving is received and processed in a timely and accurate manner to ensure high levels of stock availability

Picking product to a high standard ensuring a "right first time" mentality is applied to the ways of working to avoid any customer disruption while maintain high batch and country of origin standards to ensure the highest level of batch and stock integrity.

Packing product to a high standard to ensure it arrives undamaged upon reaching the customer destination.

Key Tasks

- Process incoming goods in a timely and accurate manner ensuring product is checked in line with the policies set out by the quality department
- Process inbound paperwork within 24 hours of passing to ensure on time supplier payment
- Ensure orders are shipped on time with no damage to customer demands
- Maintain a high level of accuracy when picking orders for customers to minimise faults and errors leading to customer dissatisfaction.
- Support the stock integrity team by following housekeeping guidelines when picking stock to maintain high inventory accuracy

Warehouse Operative

part of the Trifast plc Group

- Adhere to Trifasts EHS standard while operating inside our facilities promoting a safety first culture not just for yourself but for your colleagues and co workers.
- Assist with the loading and unloading of vehicles as product arrives and needs to be despatched
- Maintain batch and country of origin traceability from receipt to despatch
- Produce shipping paperwork
- Clean and maintain your work area to the set standards
- Any other reasonable duties to support the delivery of exemplary customer service to both internal and external customers

The Candidate

We are seeking a service-driven individual with excellent attention to detail and strong communication skills, both verbal and written.

The successful candidate will be self-motivated, physically capable, and able to thrive in a fast-paced environment while meeting deadlines. Strong organisational skills, the ability to prioritise tasks, and a proactive approach to problem-solving are essential. Building and maintaining positive relationships with both internal and external customers is a key part of this role.

What we offer

- On-site parking
- Life insurance
- Pension
- Employee Assistance Programme
